

About Us

We unite women from all socio-economic backgrounds, providing information that empowers, educates and inspires.

This event is made possible with the vision and collaboration from the following three organizations:

THE WOMEN'S EMPLOYMENT OPPORTUNITY PROJECT, INC.

www.weop.org

Provides programs and services for disadvantaged women and girls that promote social change, improve family economic self-sufficiency and provide opportunities in training, employment and business. The organization also serves as a resource to advocate, educate and address the social disparities that impact women. WEOP responds to the needs of participants with a host of services and programs that focus on skill building, career counseling, and specialized educational workshops.

MOTHER'S VOICES OF GEORGIA

www.mvgeorgia.org

Our mothers are the healers, champions, protectors and heroes who have changed the course of history.

Mothers' Voices Georgia (MV-GA) is part of a national grassroots organization that believes in the power of mobilizing mothers to become advocates for HIV/STD prevention and counseling as well as champions for building life-skills that help women make informed, healthy choices about their bodies, finances and health care options. We offer financial education, health disparity advocacy and life skills building workshops.
